

Party Booking Terms and Conditions

Please read this document carefully and speak to a member of queries.

- Minimum of 10 guests
- This includes the birthday child
- Final numbers must be confirmed 2 weeks before the party date. It is advised to contact the venue as soon as possible if numbers rise significantly. Should session capacity be reached then increasing may not always be possible.
- Invites can be collected from reception after a deposit has been paid or you can request to be emailed a print at home version.
- A 50% non refundable deposit is required at time of booking to confirm your party. With the outstanding balance due 2 weeks before the party.
- No parties are reserved without a deposit payment. If the deposit is not paid the party will be cancelled and the slot released for sale.
- All standard parties are 1 hour and 30 minutes in duration, with Extra Time parties being 2 hours. We request that ALL guests arrive 15minutes before the session start time. Please add this as the start time on your invites. Guests arriving to check in late may result in activity time being missed.
- All participants using the activity areas MUST have a completed waiver. Anyone under 18 must have this completed by their parent or guardian giving them permission to use the equipment. A link for this can be found in your confirmation email which needs to be forwarded to guests. We strongly advise doing this in advance as completing them on the day can lead to delays in your guests checking in and starting the party.
- Party rooms are available for half an hour immediately following your activity session. It may be possible to access the room earlier but this is not guaranteed. Reception will be able to offer advice at check in if this is requested.
- The party manager will contact you 2 weeks before the party date. At which point the final number of guests, food arrangements including special dietary requirements MUST be confirmed. Any late requests may not always be possible.
- Only food and drink provided by Airvault is permitted within the venue. Food being brought in due to allergies or medical conditions is acceptable with prior authorisation from management.
- Party Hosts will assist within the party room, offering children food and drinks, organising the cake and singing happy birthday. Please discuss directly with your host if you have any special requests.
- Arena staff and party hosts will be monitoring safety whilst the children use the equipment and will be there to offer guidance and assistance where needed.

- The drinks station is accessible to your guests throughout the duration of your visit, please ask if you need directing.
- During PEAK TIMES no under 4's are allowed access to the activity areas. It is essential that NO YOUNGER guests are invited as they will be turned away on arrival. Should you wish to have under 4's join in please call Airvault immediately and alternative party slots can be looked at (such as the family session party).
- Any children aged 4 must be accompanied on the arena by an adult (over the age of 18years) at a ratio of 1 adult for every 2 children. The standard party package does not include any free adult places so these must be organised and paid for in advance. These places are offered at a discounted price.
- Any additional extras must be finalised and paid for 2 weeks prior.
- If any paid for guests fail to attend on the day then no refund will be given.
- You are welcome to bring along your own cake, candles and balloons. All other tableware will be provided.
- Any additional jumpers must be arranged and paid for in advance either by booking online or with the party manager. Adding guests on the day cannot be guaranteed and entry may be refused once capacity is reached. It is advisable to mention this to guests who may wish for siblings to jump alongside party guests so they can prebook sessions to avoid disappointment on the day.
- We are not responsible for guests belongings and have lockers available for the safe storage of any valuables. Reception will take charge of cakes, decorations and party bags whilst waiting to prepare your party room no presents or valuables should be left at reception.
- Party rooms are not locked nor staffed continuously so care should be taken as to what is left in rooms.
- If you have added the UV upgrade package - Party rooms will be set up with UV decorations and tableware. All children attending will be offered UV facepaints during their jump session prior to them entering the party room. It is your responsibility to check with parents of guests attending that they are happy for their children to take part and you must notify Airvault should there be any issues beforehand.
